Civil Society and SDGs Monitoring. Needs, Obstacles and Opportunities.

Katherine Páez, Andrea Peroni y Ana González
Context for the Implementation of the 2030 Agenda

National Committee for the Implementation of the 2030 Agenda

Civic Participation without effective mechanisms

Discoordination between the cycle of public policies and the National Committee

The 2030 Agenda as a key element for Organized Civil Society Participation
Civil Society Definition of Development

- Economic Dimension
- Social Dimension
- Ecologic Dimension
- Institutional Dimension

- HHRR
- Intergenerational Solidarity
- Geographic and Geopolitical Interdependency

SOCIAL JUSTICE

Civil Society

State
How Was the “Light Report” Made?

Who Asked for the Report?
- Organized Civil Society
- NGOs (ACCION)

Who Made It?
- 4 External Consultant
- 2 Consultants from the Chilean Evaluation Network

What Topics Were Included? (Pillars)
- Social
- Economic
- Environmental
- Institutional
# Main Findings from the “Light Report”
(What the Voluntary Report Doesn’t Show)

<table>
<thead>
<tr>
<th>Pillar</th>
<th>Social</th>
<th>Institutional</th>
<th>Economic</th>
<th>Environmental</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Strengths</strong></td>
<td>Available data</td>
<td>Available data allows to made a baseline</td>
<td>All necessary data available</td>
<td>Governmental commitment to stop climate change</td>
</tr>
<tr>
<td></td>
<td>Exists detailed information with national coverage</td>
<td>Existence of a legal framework to support international commitments</td>
<td>New methodologies allow to include measure of multidimensional poverty</td>
<td>New methodology which allows to know the contribution of every environmental goal</td>
</tr>
<tr>
<td><strong>Weaknesses</strong></td>
<td>Incomplete data and not disaggregated by age, gender, migrants, indigenous people, etc.)</td>
<td>It’s not possible to find all the data</td>
<td>It’s not possible to show gaps (age, gender, migrants, indigenous people, etc.)</td>
<td>Difficulty to find data</td>
</tr>
<tr>
<td></td>
<td>The need of a permanent system of monitoring gender issues</td>
<td>Information about how institutions work is not available</td>
<td>It’s not possible to identify vulnerable population</td>
<td>Environmental issues are not part of the concept of development</td>
</tr>
</tbody>
</table>
Why it is Important to Contrast the Voluntary and the Civil Society Report?  
The Example of SDG 5

**National Report**
- Complete 14%
- Incomplete 22%
- No Data 64%

- 2 Complete Indicators (5.1.1 y 5.5.5)
- 3 Incomplete Indicators (5.2.1, 5.3.1 y 5.4.1)
- 5/8 Goals

**Civil Society Report**
- Complete 86%

- 2 Indicators without information (5.3.2 y 5.6.1)
- 8/8 Goals
# Implementation of the 2030 Agenda: Identifying Needs and Opportunities from the “Light Report” Experience

<table>

</thead>
<tbody>
<tr>
<td>(Survey to 46 NGOs)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>• Work is mostly focused on the social pillar</td>
<td>• Like a VOPE we have the commitment to make a contribution to the society</td>
<td>• Let them know the opinion of civil society</td>
</tr>
<tr>
<td>• Knowledge of the 2030 agenda is concentrated in poverty, education, gender equality and social inequality</td>
<td>• Work should be focused on specific SDGs at the beginning</td>
<td>• Show them the quality of the national report</td>
</tr>
<tr>
<td>• Training needs:</td>
<td>• Training civil society actors about sdgs, in order to develop their capacity to take part in SDGs implementation, M+E</td>
<td>• Incorporate SDGs in their local agenda</td>
</tr>
<tr>
<td>• Measuring tools and methods (85%)</td>
<td>• Socialize and spread information to increase impact</td>
<td>• Involve them in the implementation of the 2030 agenda</td>
</tr>
<tr>
<td>• Advocacy (70%)</td>
<td>• Translate the information into spanish</td>
<td>• Let them know the importance of M+E of SDGs</td>
</tr>
<tr>
<td>• Contents and concepts of sdgs (61%)</td>
<td>• Share this experience to be replicated by other countries (conferences, papers, academics, civil society and vopes from other countries)</td>
<td>• Raise awareness of the importance of civil society participation in SDGs implementation, monitoring and evaluation</td>
</tr>
<tr>
<td></td>
<td>• Built networks with different actors to enhance the M+E of SDGs, with a special focus on civil society participation</td>
<td></td>
</tr>
